# Podiatry Care Products For Practitioners

## Why MDI Medical?

At MDI Medical, we understand that podiatry professionals require not only high-quality diagnostic equipment, but also the confidence and support to use it effectively.

Our comprehensive range of Dopplers, vascular assessment kits, and podiatry consumables is backed by a dedicated team of sales and clinical specialists who work closely with you to identify the right solutions for your practice.

From initial consultation through to installation and beyond, we provide structured, competency-based training and ongoing technical support, ensuring your team can maximise clinical outcomes and equipment performance.

With responsive service coverage and manufacturer-trained engineers, MDI Medical delivers a complete partnership, supporting podiatry clinics with reliable products, expert guidance, and long-term peace of mind.

**MDI Medical: Your partner in supply,  
installation and service of medical devices.**
